## Spun Aluminum Gravity Ventilator with Flashing Flange, Size 8, Model GRSF-8

For natural gravity or positive pressure systems, model GRSF offers excellent performance and durability for intake or relief applications. Featuring an exceptional low silhouette design and rugged construction this model is both efficient and economical.

- All aluminum exterior for corrosion-resistant construction
- Integral birdscreen to prevent entry of birds and small objects
- Built-in flashing flange with prepunched mounting holes for quick and easy installations without a roof curb

### Características de funcionamiento

No hay curva del ventilador disponible.

### Características de Construcción

Mounting	Flashing flange
Housing Material	Spun Aluminum
Includes	Birdscreen Flashing flange

### California Residents

**⚠ WARNING**

This product can expose you to chemicals including cadmium used in the processing of corrosion resistant metal and fasteners, which is known to the State of California to cause cancer and birth defects or other reproductive harm.
